Ferencne Erdei

having successfully completed the Application Specialist course of study on

IPC-A-610

Acceptability of Electronic Assemblies

is hereby designated

Certified IPC Specialist

Serial No. A610SH-26031778682

This certificate is your official notification of meeting all the necessary requirements in the mandatory module and designation of Certified IPC Specialist (CIS) in the industry developed and approved IPC-A-610 Training and Certification Program. You may now use the CIS designation on letterhead, business cards, and all forms of address.

March 16th, 2026	Bela Bodi
Date of Completion of Mandatory Module	IPC-A-610 Certified IPC Trainer
March 2028	Elas Kft.
Certification Expiration Month/Year of All Modules Regardless of Training Completion Date	CIT's Company/Employer

Knowledge and Workmanship Modules

Certification dates below indicate successful completion of the required general knowledge module(s) and successful completion of each applicable workmanship skills/inspection module(s). Certification has not been accomplished in any module content that indicates not completed.

MODULES	*DATE OF COMPLETION*
2. General Soldering and High Voltage Soldering	16 March 2026
3. Component and PCB Damage	16 March 2026
4. Terminals and Wires	Not Completed
5. Through Hole	17 March 2026
6. Surface Mount	17 March 2026
7. Hardware	Not Completed
